# RelativityOne Data Migration Services

As an early adopter of RelativityOne, FTI Technology has been at the forefront of migrating data and workspaces from leading e-discovery platforms to RelativityOne both internally and on behalf of clients.

From creating a migration plan to managing the transfer of applications and scripts, FTI assists law firms, corporations and government agencies in upgrading to RelativityOne. Should exceptions occur in transferring files at any stage of the process, FTI has the technical expertise to remedy—ensuring a complete migration.

## FTI RELATIVITYONE DATA MIGRATION SERVICES INCLUDE:

### Migration Planning

FTI partners with your organization to tailor a transition plan specific to your existing e-discovery infrastructure and needs.

### Data and Workspace Migration

Inventory of workspaces, document counts, file sizes and review stage is taken to determine the most efficient approach to transferring and replicating for a seamless experience in RelativityOne.

### Application and Script Transfer

Where possible, FTI can advise and assist in the transfer of automated processes and workflows to maintain e-discovery efficiency.

### Post-Migration Evaluation

After the migration, a comprehensive review is conducted to confirm that data elements have successfully transferred and workflows are fully functional.

### File Expectation Identification and Remediation

In the event exceptions occur during the migration, FTI's team of experts proactively remedy to drive the migration to completion.

### Multi-Platform Migration

Migration services into RelativityOne include but are not limited to Relativity SQL back-up, Concordance, Summation, Ringtail, CloudNine LAW, OpenText/Recommind, Clearwell, Caselogistix, Introspect, View Point and Exterro.

## WHY FTI?

### Deep Expertise

FTI Technology is a mainstay of the e-discovery industry with over 20 years of helping clients navigate discovery in the digital age. A commitment to the innovation of technology and workflows has secured FTI as a RelativityOne Certified Silver and Data Migration partner.

### Scalability
