Introductions

Keira Campbell

Associate, Jones Day

Keira Campbell's practice is devoted to antitrust and competition law. She represents clients in mergers and investigations before the Federal Trade Commission (FTC), Department of Justice (DOJ) Antitrust Division, and state attorneys general. Keira has guided clients through all phases of antitrust review processes. Keira has represented clients in a range of industries including consumer goods, pharmaceuticals, pet food, major household appliances, and radio. She has additional antitrust experience providing counseling on distribution and trade association matters, representing clients in FTC and DOJ conduct investigations, and cross-border filings. Keira practiced for a number of years in Australia representing clients in cross-border transactions and in complex antitrust litigation before the federal courts of Australia at both the trial and appellate levels. She has bar admissions in both the United States and Australia.

Introductions

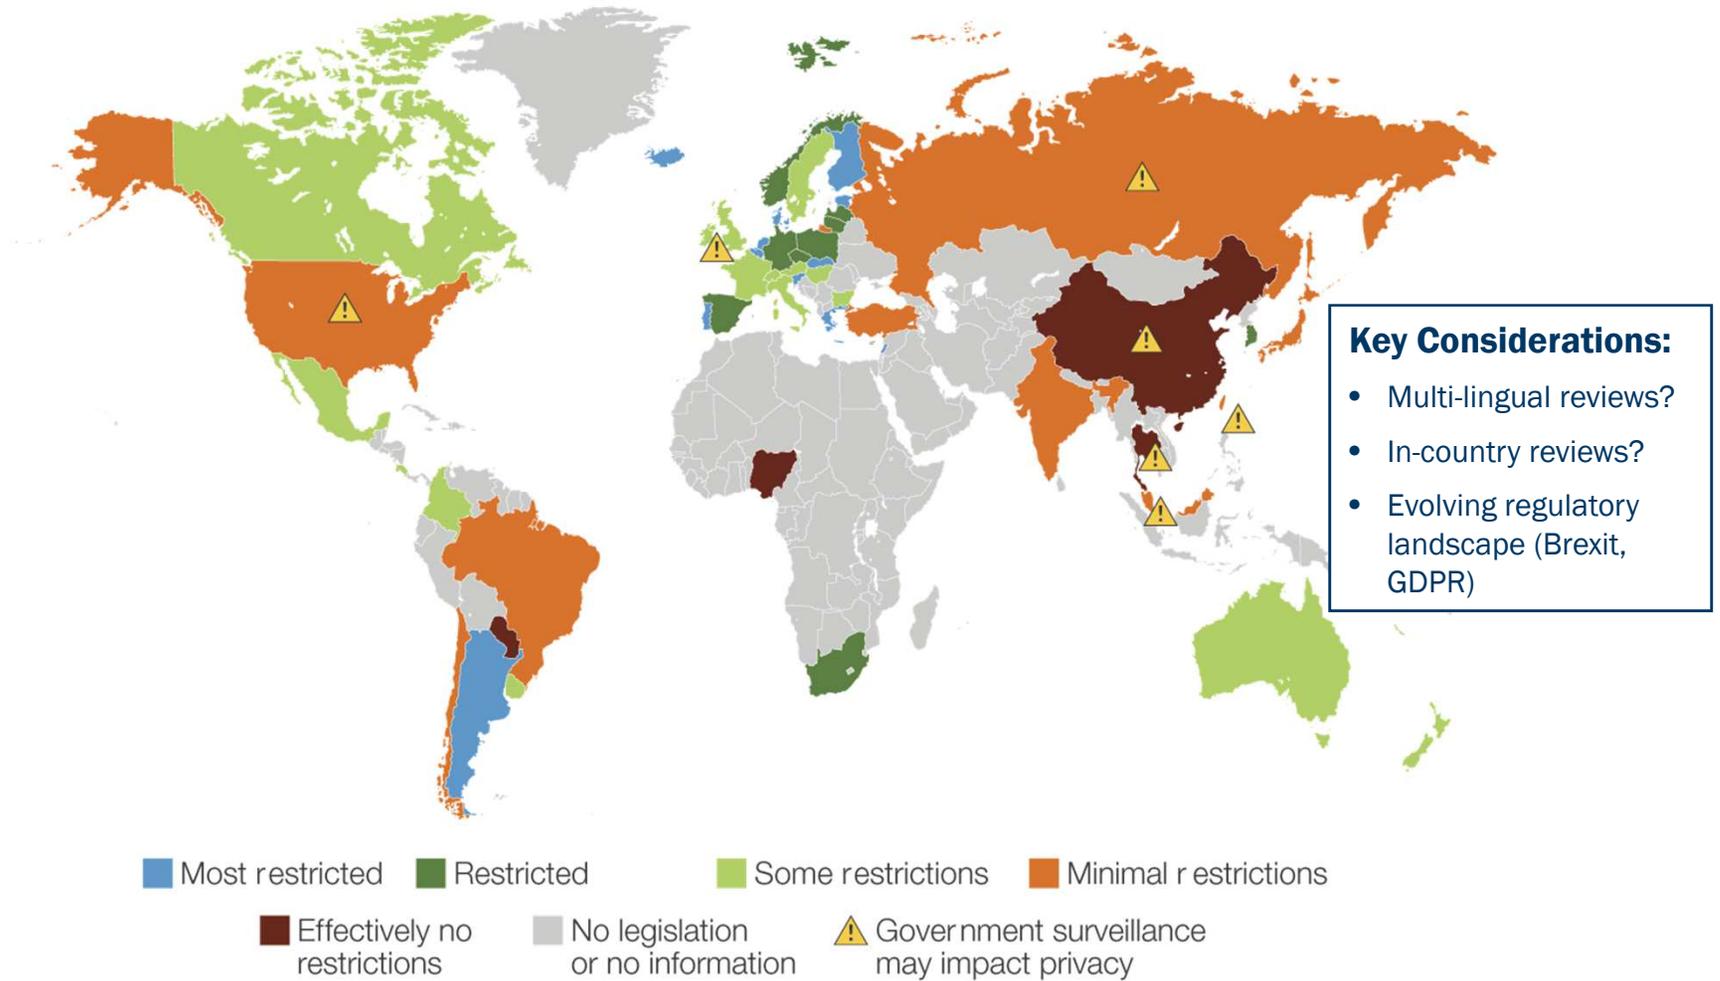

Kathryn Hardie

Senior Managing Director, FTI Technology

Kathryn L. Hardie is a senior managing director in the FTI Technology practice, specializing in channel software distribution, and is based in Washington, DC. With over 21 years of experience in litigation support, electronic discovery and channel management, Ms. Hardie specializes in technical solutions to both law firms and corporations. Ms. Hardie's area of expertise has been in mergers and acquisitions with an emphasis on the Hart Scott Rodino process and second request compliance. Ms. Hardie has worked with the top global law firms and fortune 100 corporations guiding technical needs for government compliance in response to Federal Trade Commission and Department of Justice subpoenas. Ms. Hardie has also worked directly with government agencies in the delivery of data productions for compliance determination. Ms. Hardie has also been engaged in matters related to the European Commission competition investigations of several US and EEC based corporations.

Global data privacy laws

Regulatory Responses

Key considerations:

- Which agency is making the request?
- What is the best review workflow strategy?

Competition Bureau
Canada

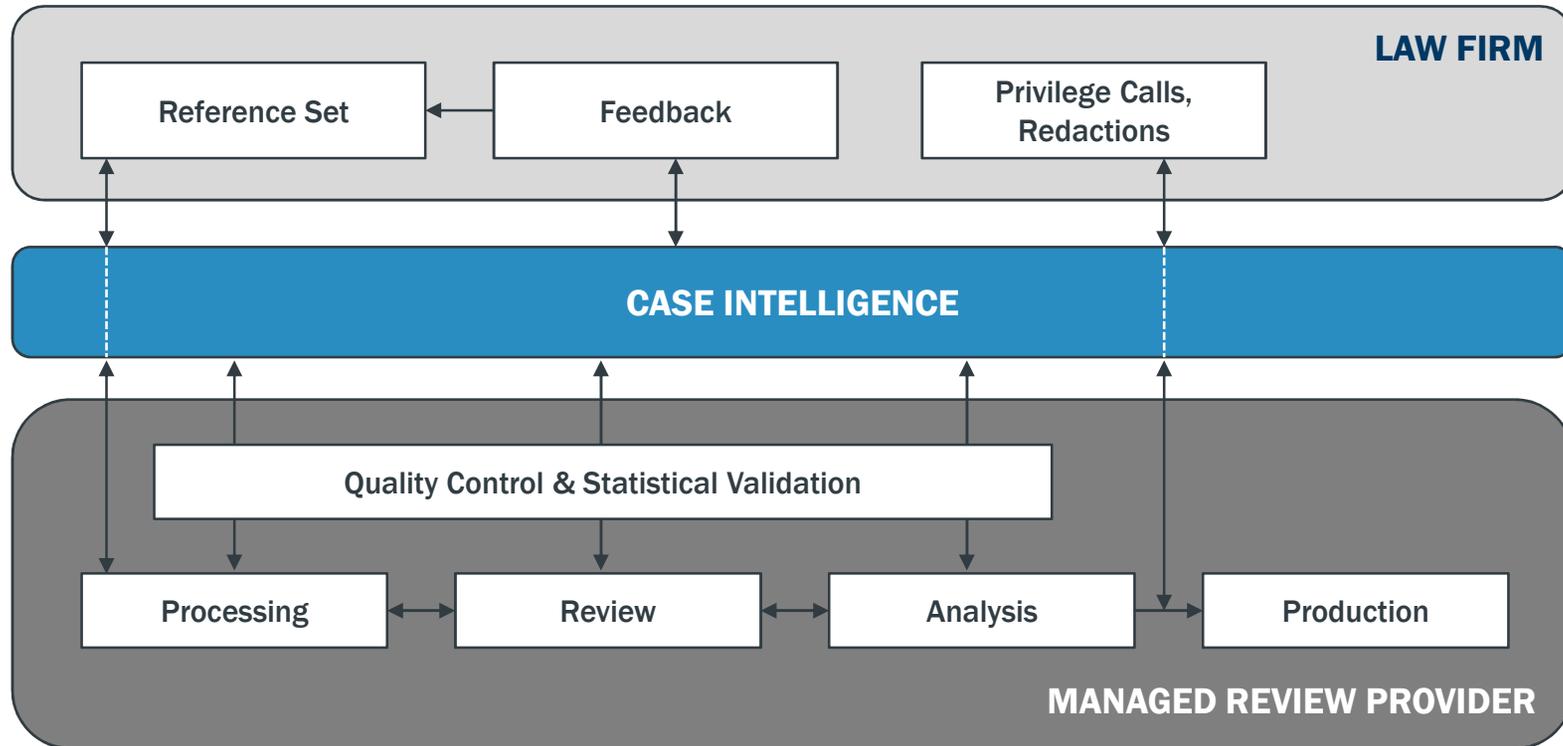

EUROPEAN
COMMISSION

Collaboration and Communication

Key considerations:

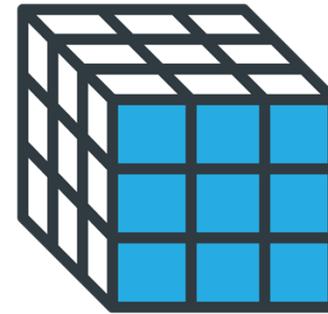

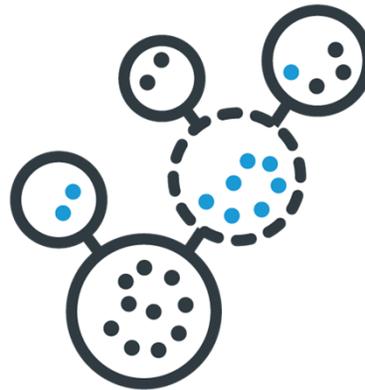

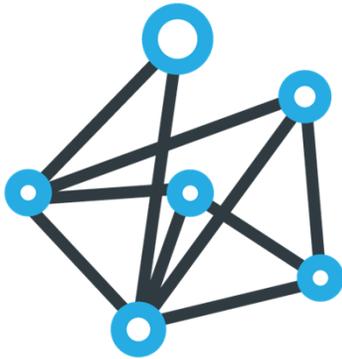

- Are we getting key data in real-time to develop strategy?
- Are we duplicating efforts?

Technology Assisted Review

Key Considerations:

- What kind of technology and workflow works best for you case?
- What are the technology options?

Key considerations:

- Can technology help?
- What are our goals for this matter?

Open Q&A
